

ARIZONA EDUCATIONAL FOUNDATION CONTRIBUTING PARTNERSHIP

Since 1983, the Arizona Educational Foundation has partnered with key business and community leaders statewide to honor educators and the teaching profession. The Arizona Educational Foundation, a registered IRS 501(c)3 nonprofit organization (tax ID #94-2937109), is the state's premier organization focused on recognizing excellence in public education in Arizona. The Arizona Educational Foundation is dedicated to administering several key programs, including the A+ School Recognition Program, the Arizona Teacher of the Year Award, the State Spelling Bee, and the Polly Rosenbaum Writing Contest.

Arizona is unique in being the only state whose Teacher of the Year and statewide school recognition programs are funded and operated solely by a private nonprofit organization as opposed to the state's education department. As such, the success and continuation of programs administered by the Arizona Educational Foundation, such as the Teacher of the Year Award and the A+ Schools Program, are predicated on the generous contributions of individuals and corporations.

The Arizona Educational Foundation invites you or your company to become a Contributing Partner of the organization. For your contribution, you will receive the following benefits:

- One table of ten at the annual Teacher of the Year Luncheon in November
 - ½ page program ad
 - On-screen recognition
- Status as a "Bee Backer" sponsor of the State Spelling Bee
 - Name inclusion on Spelling Bee t-shirt
 - Name recognition in Spelling Bee program
 - Plaque with photograph of State Bee Finalists, acknowledging your sponsorship
- Recognition on the Arizona Educational Foundation website as a Contributing Partner
